16. What area of the said homestead is timbered land?

Answer: None acres.

17. Are there any special circumstances, such as illness, accident or lack of means, which should be considered by the Department in dealing with your case, or any further information which in your opinion should be brought to the attention of the Department?

Answer: yes.

18. If so, what are they?

Answer: Rented land in 1917 + 1918 per "war time act" crop failures both years and had to keep on renting in order to get means to buy horses etc with which to go on above Homestead. I broke 30 acres in 1920 but Climatic conditions too dry to warrant seeding same. Am leaving this land lay over so it will be in good condition for crop next year.

I ..., in the foregoing or above statement named, do solemnly declare that each of the answers given by me as set forth in the said statement to the question therein to which it is given as an answer is true and correct; and I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath, and by virtue of *The Canada Evidence Act*.

Re S. ½, 33-17-8-W. 4th Mer.,
John Henry East.

The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that all liens, Dominion, Municipal and Joint Relief, registered against the S. ½, 33-17-8-W. 4th Mer., for advances made to John Henry East, be discharged.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated June 14th, 1929, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That the N.W. ¼, 33-17-8-W. 4th Mer., was the debtor's pre-emption, entry to which was cancelled and it is now vacant Crown land.

2. That title to the S.W.¼, 33-17-8-W. 4th Mer., has passed to the Department of Municipal Affairs as Administrators for the Municipal District of King No. 153, under Tax Recovery Proceedings.

3. That this land is situate in the Tilley East Area and has practically no value.

4. That under the arrangements made the said land will not be open for re-entry or for sale, but will be held only for grazing purposes, and any revenues derivable therefrom will be so small that there is no possibility of making any payment on account of the said liens.

5. That the debtor abandoned the land and left for the United States where he has since died and there is no possibility of making any collection from the Estate of the late debtor.

The Board therefore recommends that all liens, registered against the said lands be unconditionally discharged,

.....

and that the total amount payable thereon be written off as uncollectible.

Dear Sir:

Re: Fred Robinson, S.E. 14-2.-4-4.
Seed Relief Advances.

The above party has failed the following Joint Relief advances giving us security a lien on the title to the above land.

Joint Relief,
1937 1/2
Jan. 30 to Mar. 31/38 $76.00
5.04
$81.04

In common with numerous other residents in this part of the Province the debtor was unable to succeed in his farming operations due to consistent drought conditions and moved therefrom some time prior to 1931 with a view to locating himself elsewhere under more favorable conditions, his present whereabouts being unknown.

The land was allowed to revert to the taxing authorities and is now under the jurisdiction of the Special Areas Board who hold same available for lease by one of the few remaining residents for grazing purposes only at a nominal rental insufficient to provide for any recovery on this account.

As there is no possibility of obtaining repayment under the personal covenant and as no security of any value remains I would recommend that the balance outstanding be written off and the lien discharged.

Provincial Seed Grain advances of three hundred and fifty-seven dollars and forty-eight cents ($357.48) have already been cancelled.

Yours very truly,

No. 7157 D.S.S.S.

Calgary,
January 8, 1937.

W. Leree, Esq.,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir: Re - Sobert Setran.
Dominion Lien.
W.½ 19-24-2 W4th.

In 1918 Sobert Setran obtained a Seed Grain advance of $112.50 from the Department of the Interior. He has made no repayment and, with interest to November 30, 1936, he owes $217.45.

As security bonds were registered against W.½ 19-24-2 W4th.

Soldier Settlement Board of Canada are registered owner, subject to the Bond, of N.W.¼ 19-24-2 W4th.

Having acquired title by tax recovery proceedings, the Municipal District of Acadia No. 241 have applied for release of the bond from S.W.¼ 19-24-2 W4th.

In the district in which the land is situated there have, as the result of drought, been many crop failures in succession over long periods, and land values have depreciated to nothing in most instances.

From reports received it seems that the S.W.¼ 19-24-2 W4th is of low value.

It is situated in the Sounding Creek Area, a Special Municipal Area established under the provisions of the Special Municipal Areas Act, being Chapter 61 of the Statutes of Alberta, 1936, and amendments thereto, for the reason that much of the land in it has been abandoned and is suitable only for grazing purposes.

It is the principal object of that legislation to try to remedy some of the ill effects of opening for cultivation by home-

steaders of districts which should have been preserved for ranching and grazing only.

To consolidate his holdings and to facilitate his operation as a grazier, one of the residents of the Sounding Creek Area has requested the Municipal District of Acadia No. 241 to exchange the N.E.¼ 18 and the S.W.¼ 19-24-2 W4th, of which they hold title, subject to liens, for the E.½ 12-24-1 W4th, of which the said resident holds clear title.

As the exchange is deemed to be a transaction which will further the object of the aforementioned legislation, the Special Municipal Areas Board have consented to it.

In order that the exchange may be effected the bond must be released.

As the S.W.¼ 19-24-2 W4th is situated in a Special Municipal Area and is practically valueless except for grazing purposes, and as the proposed exchange, which it will facilitate, is desirable in the interests of the rehabilitation of that Area, I recommend release from S.W.¼ 19-24-2 W4th of seed grain bond No. 70531 for $112.50 without payment.

There remains as security for the indebtedness the bond on N.W.¼ 19-24-2 W4th, and I recommend that it be retained, subject to adjustment, if necessary, on application by any interested person.

The debtor himself resides at Empress, Alberta, where he has a small garage and machine agency, but his circumstances are poor.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective notices, or the commencement of residence in the case of squatters before survey.

34. Unless due consideration being given to the rights of all persons claiming priority, the Agent shall recommend applications for entry offering under the preceding section if requested to do so, but shall not recommend for entry for such land until the close of the office hours of the day on which the prior rights of entry are considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative appointed by him, of an application for entry from a person claiming a prior right of entry for the land following, and it is evident from the records that such person, by reason of the priority of date of his notice or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if, on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on the day the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board:

Provided also that if the Agent is in doubt as to the priority of any applicant he shall not grant entry to any and all but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been the subject of an application for entry on the last day on which such land became available for entry, or for the purposes of the reasons hereinbefore mentioned, a settler desirous of entry on the following day is unable to make entry under these regulations.

Re: Account of Olaf Lysgaard
S.W. 5-33-2 W. 4th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918, 1919 and 1920 seed grain amounting to $624.20 was advanced to Olaf Lysgaard on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$624.20	$1,325.62	$1,949.82

The S.W. 5-33-2 W. 4th Mer. was formerly the homestead entry of the debtor whose entry was cancelled on the 26th of June, 1923, and the land is still unalienated Crown land held in the right of the province.

In reply to our questionaire of the 30th of June, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there it little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing".

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

OTTAWA, 2nd February, 1928.

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. Harold McDevitt,
N.E.¼ 4-40-7-W.4th M. (Hsd.)

The above-described land is the unpatented homestead of this settler.

The settler has obtained advances from the Board totalling $1400.00, as follows: land purchase, $[illegible]; permanent improvements, $1000.00; stock and equipment, $[illegible]. As security the Board holds a charge on the settler's homestead. In addition the Board holds title to the N.W.¼ 4-39-8-W.4th M., which the settler is purchasing from the Board under Agreement for Sale. The Board holds no other land security in this case.

The Board is informed that the settler has completed the duties in connection with his homestead and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler dated the 21st May, 1927.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to his homestead be issued to the Board. He is residing on the land, but has a prospective purchaser for the property, and is very anxious to close the deal in order to be in a position to repay his indebtedness to the Board.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title, and interest of His Majesty in the N.E.¼ 4-40-7-W.4th M. be vested in the Soldier Settlement Board.

A Vesting Order for the Minister's signature is attached hereto.

Chairman.

The Honourable Charles Stewart,
Minister of the Interior,
OTTAWA.

Data in our files reflects that Mr. [illegible] was born in Austria, South Bukovina, [illegible], September 23, 1[illegible] and went to Canada in 1[illegible] with his father, Charles [illegible], who became a naturalized citizen of our country [illegible], 1[illegible] at Westaskiwin, Alberta Province; that subject was drafted under the Military Service Act of 1917, [illegible] number 2[illegible] and assigned to the 1st Depot [illegible] Alberta Regiment [illegible], left for overseas on September 19, [illegible] after service overseas, was honorably discharged by reason of demobilization; that during his military service he was not called upon to take the Oath of Allegiance to His Majesty the King.

Dear Sir:

Attention Mr. Geo. W. Tyler

Your letter of February 28th, your file No. 30-A-2040, has been forwarded to this office for reply.

Harold McDevitt, when he applied for homestead patent for the N.E.¼ 4-40-7-W 4th Meridian on March 22nd, 1927, claimed to be a British subject by the naturalization of his father, Charles James McDevitt. The father's certificate of naturalization was dated January 10th, 1910, and was forwarded in connection with his application for homestead patent for the S.W.¼ 4-39-8-W 4th Meridian.

I am enclosing a copy of the declaration furnished by Harold McDevitt.

Yours very truly,

Encl.

Gentlemen:

Please refer to your file [illegible] and your letter of March 1, 1951.

Records on file with the Department of Soldier Settlement of Canada and Veterans' Land Act, Edmonton, Alberta, Canada, indicate that Hemlit Malevitt stated on February 7, 1930 that he had filed on the N.E. ¼ of Section 8, Township 40, Range 7, West of the Fourth Meridian, in the Province of Alberta, sometime prior to that date.

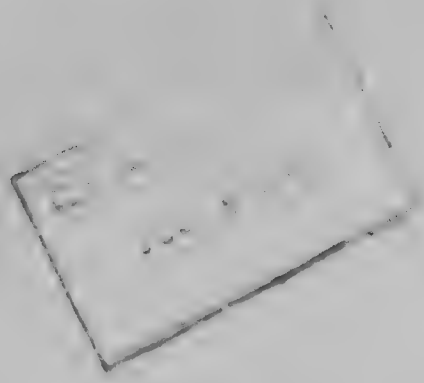

Will you please advise whether you have any record of Mr. Malevitt having filed on a homestead on or about the above date.

Very respectfully,

Dear Sir:

Attention Mr. Edmund C. Morse.
Chief, Nationality and Status Section.

In reply to your letter of June 26th, your file 20-A-2040, I may say that the N.E.¼ of Section 4, Township 40, Range 7, West of the 4th Meridian was originally entered for by Claude D. Bailey on May 27th, 1911. Cancellation proceedings were instituted in 1922 as the entrant had not complied with the terms of entry. The entry was cancelled on March 29th, 1923. It was then entered for by Harold McDevitt on April 12th, 1923. He finished the necessary cultivation and residence to enable him to apply for patent which he did on March 22nd, 1927.

When Mr. McDevitt states that he filed on this land previous to 1920 he is clearly mistaken but it is possible that the land he has in mind is the N.W. ¼ Section 5, Township 39, Range 8, West 4th Meridian. This land was patented to the Canadian Pacific Railway Company in 1906, and appears to have been purchased either from the Railway Company or a later owner, by Mr. McDevitt, as in his application for patent for his homestead, he stated that he had been farming this quarter section which he called "purchased land." Mr. McDevitt, on January 6th, 1916, enquired about the S.W.¼ Section 32, Township 39, Range 7, West of 4th meridian. But this land was held by another man to whom it was afterwards patented.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

Sir,-

S.W. ¼ Sec. 36 Tp. 32 Rge. 14 West 4th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

Fract. N.W.¼ of 22--33--3, W. 4th M.
Shown on the sketch attached coloured yellow.
Containing 30 acres.
Situated 4 miles southwest of Kirriemuir, Alta.

Mrs. Martha Campbell, in August, 1915, made homestead entry for the fractional N.E.¼ of the same Section, containing 80 acres and shown on the sketch coloured green, and has applied for permission to purchase or pre-empt the parcel in question.

The said fractional N.W.¼ of Section 22 was also applied for in Octoner, 1914, by Mr. Luther Vert, who, in June, 1913, made homestead and pre-emption entries for the N.W.¼ and S.W.¼ respectively of Section 27, shown on the sketch coloured pink.

The Homestead Inspector, in his report hereunder, states;

"As Mrs. Campbell has only about 9[illegible] acres of land on N.E. of this section I would recommend that she be given the opportunity of purchasing this fraction. I interviewed Mr. Vert and although he would like to purchase this land he stated that under the circumstances it was fair and right that Mrs. Campbell should have the prior opportunity. I would value this fraction at four dollars per acre."

Sir.-

S.W ¼ of Sec. 36 Tp. 22 Rge. 3 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these settlers, who had obtained patent, or who had become entitled thereto on or before the 31st January, 1918, the right to make a third homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained a homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unperfected pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Norman Hector Swig, Esq.,

OTTAWA, 5th January, 1929.

Sir,-

N.E. ¼ of Sec. 30 Tp. 59 Rge. 17 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I think it well to bring these three files to your attention at the same time. It appears that the Agent, in error, granted entries for these three quarter-sections, overlooking the fact that they are school lands. The Agent's explanation is that when the fresh set of township registers was prepared, the new register did not show the reservation for school lands endowment.

Mr. Checkley in dealing with the Taylor case, has agreed to ask the Agent to select other land for the school endowment. In the Osborne case the entry has been summarily cancelled and he has been informed, in accordance with your memo of the 14th instant on file #2477980, that it will not be possible to allow homestead entry for this quarter-section.

Mr. Dixon.

S.E. 35--33--3, W. 4th M.
School Lands.

The Agent by mistake granted proxy entry to William Osborne on the 5th of June last.

Entry cancelled by Head Office 2nd August.

Letter from E.L. Aizzier, Provost, on behalf of homesteader 17th October, 1911, stating that he is at that place ready to commence occupation, and protesting against cancellation.

School Lands Branch refused to allow homestead entry.

It was afterwards pointed out to the School Lands Branch that another man ~~from~~ on the same section, who got entry in the same way, was allowed to keep his land.

The School Lands Branch have now decided to allow Mr. Osborne's entry to stand provided other land of the same value can be selected for the School Lands. In the meantime the six months from date of proxy entry has expired.

A letter of authority was sent to Mr. Osborne to take other land before the School Lands decided to allow this entry to remain.

It would be better to allow the original entry to stand, but as it was a proxy entry you may not wish to do so. However, the fact

Mr. Secretary,

- 2 -

fact that the contestee was ready to go into occupation in October, if he had been permitted by the Department, should really constitute protection against his entry.

If you do not see your way to allowing the original entry to stand, I would suggest that Mr. Osborne be allowed to make a fresh entry, without payment of entry fee, on surrendering the Authority of the 17th of November.

Respectfully submitted,

Mr. Rollins,

Sir,-

Re S.E.¼ 36-33-2-W.4th Meridian.
Your file - 80691.

I beg to inform you the quarter section above described was selected, some time ago, for the School Endowment but was subsequently withdrawn from the Endowment in order that homestead entry might be granted therefor.

Later on, the N.E.¼ 32-33-2-W.4th Meridian was selected for the Endowment to take its place but it seems you were not advised of the selection and homestead entry was granted for same and patent for the quarter section was issued in September 1919.

Please issue the necessary instructions to the Inspector to whom you give the work pointing out that the land selected must be in the Province of Alberta; that it must be of equal value to the land relinquished from the School Endowment and also that it is not considered in the best interest of settlement to select more than two full sections on School Land account in any one township.

In order to be in a position to select land of equal value in lieu of that relinquished, it will be necessary for the Inspector to visit the S.E.¼ 36-33-3-W.4th M., and furnish a report and valuation thereon. He will then be in a position to select land of equal value and he should submit a full report on each quarter section or part of quarter section selected, stating value and character, etc. This selection should be expedited as much as possible.

Upon receipt by you of advice from the Inspector that he has made a selection, the necessary note should be made in your records reserving the land so selected, provided you are aware of no reason to the contrary. You should then forward the Inspector's reports to Head Office with a covering letter indicating what action you have taken as to reserving the land. You should also inform the Sub-Agent for the district in which the selection is made in order that he may make the necessary note in his records.

Memorandum;

Area - 160 acres.
School Lands File - 69018.

Kindly refer to your memorandum of the 14th May, 1928, regarding the selection for the School Endowment of available Dominion Land in lieu of the quarter-section above described. The above land, containing 160 acres, has been valued at $8.00 per acre - $1,280.00.

The land selected for the Endowment is the N.W.¼-18--29--5-W.4th Meridian, consisting of 160 acres, which has been valued at $7.00 per acre.

The land selected would appear to be clear in the records of the Department. There are no seed grain charges. According, however, to the report by the Inspector which was made in September, 1928, there was 10 acres under cultivation at that time worth $10.00. It is hardly likely that such cultivation is worth anything to-day. If desired, however, an Inspector could be asked to visit the land again for the purpose of finding out whether there are now any improvements on the land of any value.

Copies of the Inspector's reports are attached hereunder.

The land selected is worth $160.00 less than the quarter-section withdrawn from the Endowment. Kindly inform me whether it is your wish that additional land worth $160.00 should be selected on this account or whether, you have note of some excess area in connection with some other account which might be used to clean up this case.

N.E.¼ 12--29--3 W.4th M.
(Year files Nos. 232[illegible]-2437[illegible]-1940:17)

In regard to the exchange of the South East quarter of Section 35, Township 35, Range 3, West of the 4th Meridian, which is School Lands, for the North west quarter of Section 12, Township 29, Range 3, West of the 4th Meridian, I note that the lands selected to re-imburse the School Lands Endowment Fund is valued at $[illegible].00 less than the land to be relinquished.

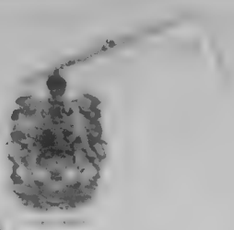

Some days ago I submitted a memorandum to Mr. Daly, requesting him to draft a memorandum-to-council in regard to an exchange where the land selected was valued at $[illegible].00 more than the land to be relinquished, with a view to allowing the over-valuation as a credit.

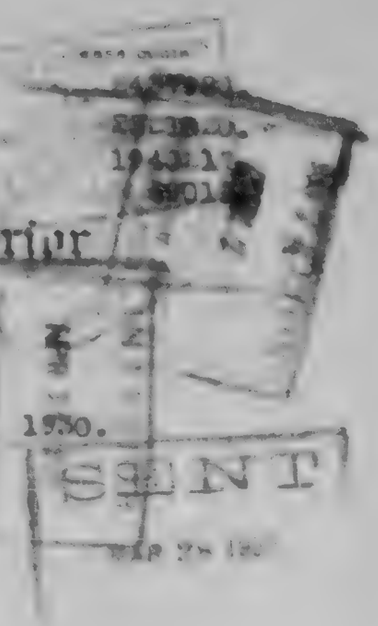

He pointed out, however, that there was nothing in the Dominion Lands Act to provide for this, and apparently was not prepared to draft the necessary memorandum-to-council along the lines suggested.

It was, therefore, decided to refer the matter back, with a view to selecting other lands of equal value to the lands to be relinquished in said case.

The Provincial Authorities, to whom we are now indebted for the letters, are very strict and are demanding full information before granting to transfers.

I beg to refer to the Departmental letter sent you on the 2nd June, 1928, regarding the selection for the School Endowment of available Dominion Land in lieu of the quarter-section above described and to your letter of the 10th January last regarding the selection of the N.W.¼-12--29--5-W.4th M.

The School Land, comprising 160 acres, was valued at $8.00 per acre - $1280.00, whereas the land selected, consisting of 160 acres, was valued at only $7.00 per acre, being worth $160.00 less than the quarter-section withdrawn from the Endowment.

This uneven selection is not satisfactory to the Department nor to the Provincial Authorities to whom such matter must be referred and I am to ask you to have an Inspector select as soon as possible an available quarter-section of an area of as nearly equal value as possible to the valuation placed on the S. L. ½-36--33--3-W.4th M., i.e., $1280.00. Please see that this matter is attended to with the least possible delay.

You are hereby authorized to post the N.W.¼-12---29--5-W.4th Meridian for ordinary settlement in the usual manner provided you are aware of no reason to the contrary, sending a copy of the posting notice to all enquirers who may have made inquiry about the land.

Sir,-

N.W. ¼ of Sec. 9 Tp. 24 Rge. 3 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re: Account of George Hosick
N.W. 9-24-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $102.75 was advanced to George Hosick on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 102.75	$ 237.47	$ 340.22

Patent was issued in the name of George Hosick for the N.W. 9-24-3-W4 on the 2nd of June 1922, subject to the 1920 lien.

In 1929 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Acadia No. 34.

The land is described as very stony and mostly suitable for grazing purposes.

The Municipality has been unable to dispose of the land by sale and it is presently included in a grazing lease issued in the name of L. Gummo of Acadia Valley, Alberta. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Sir,

I beg to acknowledge the receipt of your letter of the 1st instant in relation to the application of Mr. [illegible] Nelson to purchase the [illegible] quarter of the S.E. of Section 17, Township 24, Range 19, West of the Fourth Meridian, and to inform you that upon Mr. Nelson having filed here an abstract of title or [illegible] certificate of title showing him to be the registered owner of the whole of the said quarter section, it will be in accordance with the present departmental practice to permit him to purchase the parcel in question, containing 76 acres, at a valuation to be placed thereon by a Dominion Inspector.

I may add that the Land Agent at Dominion Lands, Calgary, is being requested by a copy of this letter to detail a Dominion Inspector to visit the land in question when in the vicinity and furnish the Department with a statement of its actual value per acre, upon receipt of which you will be further advised.

In the meantime, I would suggest you to have filed here a further declaration to the effect that at the commencement of the present war Mr. Nelson was not the bona fide owner of the said [illegible] quarter section, or a subject or citizen of a country with which [illegible] is at present [illegible], or [illegible]

Ottawa, _____ 191_

Sir,

I have investigated the records of the Land Titles Office in connection with this registration, and I find that a lien in the amount of $18.75 was taken as security for a Dominion advance made to one, Louis Bourassa. At the time this advance was made, Bourassa was in possession of the N.W. 1-69-16-W.4th and patent to the S.E. of 1 issued in Bourassa's name with the lien attached. It appears that this lien was subsequently satisfied and the lien encumbrance was discharged.

In 1921 Bourassa purchased the S.E. of 10-69-16-4 from Isidore Plamondon. When title vested in Bourassa's name the Dominion lien was registered thereon.

The Dominion lien was not discharged from the S.E. of 10 at the time it was discharged from the N.W. of 1, although it should have been. I have been advised by authorities at the Land Titles office that this lien has not been discharged from the S.E. 10-69-16-4 and I will, therefore, not require any information in connection with the same.

Yours truly,

Wm. Hamilett,
Secretary.

Memorandum:-

Mr. Ware.

Re. N.W.T.-Alta.-4th-mer.
Application for patent of
George Ware, for his homestead.
Recommended.

The entrant in this case claims residence, cultivation and other improvements as shown on form (No. 1), herewith. You will note that he has only 15 acres broken and in crop, whereas he should have 30 acres broken and 20 cropped. He claimed 12 head of stock. Witness Louis Boucher's mark for signature has not been witnessed.

Homestead Inspector Grey in his report dated 20th ultimo, corroborates the applicant's statement as to residence and cultivation, and values the cultivation duties already performed at $250.00.

General Remarks:-

"This land is fairly open but very rocky and broken, cost approximately $2[illegible] per acre to bring under cultivation. The work done is more than equal to 30 acres of breaking in open land. I recommend the application.

I have taken this application without permission, I could not refuse the man as I was spending the night with him and that he was so far from the [illegible] agency.

Mr. Ware is one of the first settlers in the vicinity and could accept but one witness to his application. The only man that would be situated is François Poitras. This man Poitras came there about the same time and located a half-breed scrip about 12 miles west, spent a year or two there and then afterwards resided with his son about 4 miles west of Mr. Ware's homestead, but left this fall some time to go and live at Fort [illegible], where he, Poitras, died on the 4th."

Extract from letter from [illegible]:-

"I saw the parties and took the application of Mr. Ware, who had built [illegible] and [illegible] in accordance with [illegible] and [illegible] to [illegible] and [illegible]."

SOLDIERS'

The Officer taking this application for patent is requested to exercise particular care that the name of the homesteader is given in full and correctly stated.

M.

Department of the Interior.
Canada.

6856 A.
243410.

Ottawa, 1st January, 1920.

Sir,

S.E. 20-37-6-W. 4th M.

The entry for the above described land has submitted evidence of the satisfactory performance of the settlement duties and his application for Letters Patent has received the approval of the Commission of Dominion Lands.

In view of the fact that evidence had been filed that Mr. Curry had applied for a loan on the security of his Homestead, he was advised on the 15th ultimo that under Sub-section 5 of Section 6 of the Soldier Settlement Act, Chapter 21 of the Statutes of 1917, patent could not issue until his indebtedness to the Board had been paid in full.

Mr. Curry has now advised this office that his indebtedness has been transferred to the South East of Section 20, Township 30, Range 6, West of the 4th Meridian, which property he has purchased through the Soldier Settlement Board.

Under Section 26, Chapter 71 of the Soldier Settlement Act, 1919, when a settler obtains Dominion Lands, whether by Soldier Grant or otherwise, and whether before or after having secured from the Board any advance pursuant to this Act, while there is owing by him to the Board any sum or sums of money as the result of any sale made to him by the Board, such sum so owing shall constitute the first charge on the land so obtained and no patent shall be issued to such settler therefor until such sums with accrued interest have been fully repaid.

Under the circumstances, will you kindly advise this office if Mr. Curry's Homestead has been released from the security of the advance, and if you are prepared to recommend that the issue of patent for his Homestead be proceeded with.

Your obedient servant,

Assistant Secretary.

Sir,-

Re: Michael Kruhlak, Esq.,
D.L. 5-50-20-4 4th Mer.

This will acknowledge receipt of your enquiry of 4th July, your file "IF" concerning the above named.

In reply I may say that in his sworn statement of 6th July, 1916, furnished in support of his application for Homestead Patent for the North-west quarter of Section 5, Township 50, Range 20, West of the 4th Meridian, Michael Kruhlak gave his age as 45 years.

Our records do not show that Mr. Kruhlak ever received a Certificate of Naturalization. Patent for the aforementioned land was granted on the authority of a Certificate in Form E., No.20-0, dated the 10th September, 1921, attesting him a qualified and fit person to receive letters patent.

By a copy of this correspondence I am requesting the Under Secretary of State, Naturalization Branch to inform you if Mr. Kruhlak subsequently became a naturalized citizen.

Yours very truly,

J.L. Story,
Acting Registrar of Lands.

I have received your letter of August 9 concerning the citizenship of Roman Tchir. Mr. Tchir's application was rejected by the Court on the ground of inadequate knowledge of the English language, and he never became naturalized.

As the name of the widow, Mrs. Tacka or Tatiana Tchir, was included in her husband's Petition for Naturalization she may be deemed to have the status of a declarant and may apply for naturalization by filing an application under section 4 of the Naturalization Act with the Clerk of the Court of the district in which she resides without the necessity of filing a Declaration of Intention. The Clerk of the Court will instruct her how to proceed.

Homestead of Paul Plante (missing).

Mr. Plante has completed his settlement duties and would be entitled to patent, provided he would make application therefor.

Mr. Plante has been missing for some considerable time and an application has been made to have patent issue in the name of the Guardian of the minor children. A full statement of the case is set out in my memo hereunder dated the 20th instant.

Before submitting this case I would ask you to kindly let me know whether the statutes of the Province of Alberta provide for the appointment of a Guardian of any minor children in a case of this kind.

If authority exists for the appointment of a Guardian, will you kindly advise me whether the Department would be justified in allowing such Guardian to make application for patent under Sub-section (K) of Section 76 of the Dominion Lands Act, which provides that the Governor in Council may make provision to meet any case which arises, and for which no provision is made in the Dominion Lands Act.

Homestead of Paul Plante
reported missing.

In further reference to your letter of the 4th.inst,I wrote Paul Plante and addressed the letter to Swift Creek B.C. and it found him,I told him that it was proposed to ask for a Guardian to be appointed for his children and to get the Patent of the land for the benefit of them,and the enclosed is the letter I have received from him.

It is now over two years since he went away,and over one year since anything was heard from him,his brother and sister have kept the children in the meantime.as I said in my letter to you he must be a worthless man.to leave his children.

It is reported that he has got connected with a woman in B. C. and if that is so,from the letter he wants his children to have the land and not anyone else.

If it is your power will you please appoint the official Guardian,and grant the Patent to such Guardian for the benefit of the children.

Yours respectfully

Samuel Hart.

Dear Sir; Re Nikoli Kopesar and S.E. 26- 5w- 14- 4
Agency file [illegible]

Your notice of institution of cancellation proceedings in above has been handed to us for reply. We are enclosing herewith Statement Of George Kopesar, son of Nikoli Kopesar, deceased, whereby you will see that the deponent has been living on and cultivating this particular quarter since his father died about February 1916.

The wife of the deceased Nikoli Kopesar remarried shortly afte the death of her husband and Geo. Kopesar has thus had the entire use of the place since that time. He is anxious to have the patent issued in his name but we believe that this would be impossible unless the mother and brothers were [illegible]. There has never been an administrator appointed for this estate.

In view of the facts set out in the statement of Geo. Kopesar it would be desirable to have one of your inspectors inspect this place so that we may be enabled to apply for patent if all the regulations as to residence, etc., have been complied with.

We shall be glad to hear from you further in this connection.

Dear Sir,

Re estate S.L. Cales

We have duly received your letter of the 6th ult., addressed to our predecessors, Messrs. Webber & Kemmerley.

We have obtained from the Master of the Supreme Court a certified copy of the Letters of Administration granted in favour of Mr. Webber as Executor Dative in the above Estate on the 16th May 1908, and enclose the same herewith.

With reference to the question of the heirs, we find from documents filed in the Master's Office that his (deceased's) mother is the heir of one-half of the estate and two brothers and two sisters divide the other half amongst them. There was no will in the estate and same was wound up according to the South Africa law of intestacy. We do not know whether your Government will issue the scrip in favour of Mr. Webber as Executor Dative in the estate or whether they will issue the scrip in favour of the said heirs direct. In the former event Mr. Webber is, of course, quite prepared to sign any necessary documents for the purpose of transferring the land to the heirs.

We may say that the full names of the heirs are as follows:-

In reference to your letter of the 5th inst., and to the Secretary's letter of the 4th August, enclosing South African Volunteer Bounty Land Certificate No.-7260, issued to Walter Solomon Webber, executor-ative, and administrator of the estate of and in that capacity, legal representative of Sterling Kellette Oakes, deceased, I am directed to inform you that your request to have the certificate issued to you as representating the heirs in this case could not be complied with, it being necessary to issue such certificate in the name of the legal representative of the deceased Volunteer, in accordance with the evidence filed in the Department.

It is also necessary that the instrument appointing the substitute, a blank form of which was enclosed with the Certificate, should be executed by Mr. Webber, in his capacity, as legal representative of Sterling Kellette Oakes.

In this connection I may call your attention to the fact that the time for perfecting entries under the Volunteer Bounty Act, 1908, by the commencement of residence on the land entered for, is six months from the date the entry is made in the land office, so that if the certificate

W. H. Oakes, Esq.,

is issued to-day, it must be perfected before the 10th February next.

Reference 1438462.

I have duly received your letter of the 11th instant, together with a letter addressed to you by Mr. Ducharme with respect to the cancellation proceedings instituted against his entry for the above land, and in reply may say that such proceedings were instituted by the Department owing to the fact that although Mr. Ducharme had held this land for over five years he had failed to apply for patent and had likewise neglected to furnish any evidence that he was fulfilling the settlement duties.

As Mr. Ducharme appears to be in residence on the quarter-section there is no desire on the part of the Department to unduly press him, and in view of your representations it has been decided to hold over the cancellation proceedings in question until the 15th July, 1920, on condition that Mr. Ducharme then files evidence that the ten acres already broken have been seeded and that he has an additional ten acres broken.

It would seem from the evidence furnished that Mr. Ducharme has fulfilled the requirements with respect to residence and the erection of a habitable house, but that he is in default in his cultivation duties, as he has only ten acres broken instead of the usual

Inspector, [illegible]

Department of the Interior,
Gunnison, Colorado.

Sir.

Received your letter, File - [illegible], De - [illegible] - 17 - 16 - W. & M. last year the Department notified me between them and the month of July, this year to have some work and permit done. I have [illegible] ed it under oath, in the hope of getting it, but as I do know it as necessary for me to leave it without sending [illegible]. At present I am [illegible] another piece of [illegible] Therefore I would like to see the Inspector himself and [illegible] personal in case that satisfied and have more proofs that I am in good faith in, that the work mentioned in this letter is as I affirm. What prevented my getting the labor [illegible] money for I did not have any to buy grain and it was from time [illegible] to have labor and machinery for working. Consequently I am still once more to send the Inspector and see if the work done is true or not and I am certain that after hearing my word and the work instead of cancelling he is [illegible] rather to give me the right to my patent. Therefore, with you, I remain, [illegible] your letter notice me that your Inspector will be in the vicinity. [illegible] really [illegible] me.

Attention is called to the spelling of Mr. Yaroslawski's name in the certificate of naturalization.

There does not appear to be any doubt that Mr. Yaroslawski spells his own name correctly.

The only discrepancy apparent is in the certificate of naturalization in which document the name ends with 'Y' instead of 'I' as spelled by the applicant.

Do you consider it necessary to obtain a declaration showing that the certificate of naturalization belongs to the applicant.

In support of his application for patent for the N.W. -60-18 W. 4th Mer., Mr. Bodnar did not furnish a certificate of naturalization. Patent was issued in his favour in view of the fact that the Under Secretary of State, naturalization Branch, furnished a Certificate in form A, No. 1247, dated the 6th of January, 1921 to the effect that the said Safron Bodnar had been adjudged by the Court to be a qualified and fit person to receive Letters Patent under the provisions of an act to amend the Dominion Lands Act.

Should you require any further information, would you please apply to the Under Secretary of State, Naturalization Branch, Ottawa.

Yours very truly,

Dear Sir:

Re: [illegible] Estate,
[illegible]

We have yours of the 11th instant addressed to E. C. Laurie of Therien, who is our representative in that District.

Mr. Laurie has been endeavoring to obtain the two witnesses in order to take the required affidavits as to the proving up of the above homestead. In this connection we would refer you to your letter to us under date of April 5, 1919, and would advise that if we have to have an additional two acres broken it will put the estate to quite an expense. The estate has already been put to quite an expense to have the breaking done on the ten acres as requested in your letter of April 5, 1919. This farm is not a very valuable one and the beneficiary who is a widow living in Norway is not in a position to put up any money to have the extra breaking done.

Under the above circumstances we would deem it a great favor if your Department would forego the breaking of the two extra acres and the cropping of the ten acres already broken, and this would assist us materially, as the expense to secure the two witnesses for the final proving up will be quite heavy.

Yours very truly,

THE WESTERN TRUST COMPANY

Dear Sir :

I exchanged pre- emptions with my son A. C. Alexander in August 1913 , taking his which was the N.W. ¼ 27- 36- 6 W 4 Meridian . I had to pay interest charges against the Quarter amounting to $46.31 . After that it was decided by your department that an entrant should not be charged interest until 3 years after filing for homestead and pre- emption , and those having paid same previous to the announcement of the Departments decision were to be credited with amount paid on principal due on pre- emption . This the Red Deer office has failed to do and I am looking to you to correct this error and to have the amount $46.31 , refunded to me at your earliest convenience.

Enclosed you will find the original receipt from the Sub. Agent at Provost , I still retain the receipt of acknowledgment of the same from the Dominion Land office at Red Deer . A speed reply will be appreciated at my address for the next two months at my sons , in care of F. V. Alexander, Agt. Pere Marquette R.R., Charlevoix , Mich.

Agency File #54873.

I am in receipt of Mr. S. J. Swift's defence of the 14th November last which you recently transmitted here and, from the evidence therein contained it would appear not only that this entry is in good standing but also that the only further duties required consist of two (2) acres of breaking.

It is noted that the applicant for inspection claims that Mr. Swift did not perform any residence whereas, the latter claims to have performed more than sufficient residence with his brother on the South East ¼ of Section 34, Township 36, Range 6, West of the 4th Meridian. In view of this you should communicate with the applicant for inspection and allow him a period of twenty (20) days within which to furnish you with his reasons to cancel. Should you not hear from him or should his reply be unsatisfactory you may abandon the cancellation proceedings, provided you are aware of no reason to the contrary and notify him of this decision.

Re N.E.¼ 15-36-6 W 4th M.

It was as long ago as November 1917 that I put in an application to cancel the above land, and from information received from your Calgary Land Office at that time I was advised that I could make entry for the same as a Purchased Homestead. Since then my entry has been held off from time to time for various reasons.

I have now been waiting for two years to make this entry, and during that time I have lost many other chances of taking up other land.

In consideration of the long time I have now waited I trust that you will reconsider my application and grant me this land as a Purchased Homestead.

MEMORANDUM.

Mr. Hume.-

S.W.¼ 2-37-7, W. 4th M.
Homestead entry - Sydney Whitlow.
Entry granted 24th August, 1916.

Mr. Whitlow enlisted for active service on the 23rd August, 1916, but up to the present date the evidence of his discharge from military service has not been placed on file.

The entrant claims to have made Soldier Grant entry for the N.E.¼ 15-36-6, W. 4th Meridian, but his application for entry is not yet on the file for that land.

Three months prior to enlistment the entrant states that he made application for cancellation of this quarter-section but that he did not secure his entry until about a week after his enlistment.

He was advised that the time of his active service would count as residence in connection with his settlement duties.

By letter of the 25th ultimo, Mr. Whitlow asked for an extension of time within which to complete his settlement duties in connection with his homestead, his reasons being that he is building on his Soldier Grant and is paying to have some breaking done that has gone back to sod, and while this work is being done, he is working for J. A. Fawcett on the S.E.¼ of 28-35-6, W.4th Meridian.

Please say what can be done on this man's behalf.

Sir,

I am in receipt of your letter of the 22nd ultimo reporting the refusal by the Agent of Dominion Lands at Calgary of an application for the institution of cancellation proceedings against the entry for the S. E. ¼ 37-7-2-W.4th M.

The entrant for this quarter section has obtained a loan from the Soldier Settlement Board on the security of his unpatented land and, therefore, the entry is not liable to the institution of cancellation proceedings on behalf of an intending settler. The Agent acted in accordance with instructions in refusing to entertain an application for the institution of cancellation proceedings.

Entry granted - 24th August, 1916.
N.E.¼ 15-36-6-W.4th M.,
Soldier Grant.
Entry Granted - 10th May, 1920.

This entrant has obtained a loan from the Soldier Settlement Board on the security of the above land. He also holds the S.E.¼ 15-36-6-W.4th M. under grazing lease and he has applied for the privilege of abandoning his homestead and making homestead entry for the land which he holds under grazing lease. It will be noted that this latter quarter-section adjoins his soldier grant and he states that there is about the same amount of farming land on this quarter-section as on his present homestead but it would be more convenient as the homestead is 8½ miles from his soldier grant.

There is provision under the regulations for the transfer of an entry with duties to other land where a soldier loan has been secured, but such transfer is subject to the approval of the Soldier Settlement Board who would require to have the land the entrant desires to secure inspected. It is apparent from Mr. Whitlow's application that he desires a transfer with transfer of duties.

In this case it would be necessary for Mr. Whitlow to relinquish his grazing lease after the Soldier Settlement Board had inspected the land and approved of the proposed transfer.

In view of the above circumstances will you please say if the entrant might be advised to make the usual application to the District Superintendent of the Soldier Settlement Board for the required letter of approval.

Memorandum.

Mr. Phillow wishes to abandon his homestead which he took up in 1915 and secure a homestead entry for a quarter section which he now holds under grazing lease. This latter quarter section adjoins his earlier grant whereas his present homestead is by miles inland.

Up to the present time it has not been the practice to allow the holder of a grazing lease to abandon his quarter section either in his own favour or in favour of a relative for the purpose of securing a homestead entry.

This land is situated in area "B" and as it appears to be the desire of the Department to assist in every way possible settlers who are making an effort to carry on farming operations, I would recommend that Mr. Phillow be allowed to transfer his homestead entry to the quarter section which he now holds under grazing lease, relinquishing the latter for that purpose.

This will have to be subject to the approval of the Soldier Settlement Board, there being a soldier loan.

If this concession is allowed, Mr. Phillow would be entitled to perform the duties afresh on his new homestead.

Entries of Sydney Whitlow.

S.E.¼ 15-36-6-W.4th M.
Covered by Ranch No.10024 leased for 10 years from the 15th May, 1921, to Sydney Whitlow.

Sydney Whitlow wants to abandon his homestead, the South West quarter of Section 2, Township 37, Range 7, West of the 4th Meridian, which he took up in 1916, and secure homestead entry for the South East quarter of Section 15, Township 36, Range 6, West of the 4th Meridian, which he holds under grazing lease. This latter quarter section adjoins his soldier grant whereas his present homestead is eight and one-half miles distance.

The land is situated in Area "B" and you recommended on the 22nd May last that Mr. Whitlow be allowed to transfer his homestead entry to the quarter section which he now holds under grazing lease, relinquishing the latter for that purpose.

On the 26th May last the Acting Commissioner gave instructions to take this matter up with the Soldier Settlement Board and if they are prepared to authorize transfer of the homestead entry to the quarter section held under grazing lease, in accordance with the usual practice, the matter might be again submitted for further consideration.

A communication has now been received from the District Superintendent of the Soldier Settlement Board at Calgary to the effect that both quarters have been inspected and the Board is prepared to recognize the transfer, subject to the requirements of the Department. Do you consider this sufficient authority to act on the application to transfer, or should the matter be again taken up with the Soldier Settlement Board here?

If satisfactory I assume the Agent may be instructed to carry out the interchange and notify the entrant accordingly, pointing out to him that it will be necessary for him to perform all duties in connection with his new entry.

I submitted this case on the 1st instant and the Assistant Commissioner in his notation on my memorandum stated "The exchange may be allowed but arrangements will be necessary with the Timber and Grazing Branch".

If you will now take the necessary action to cancel Mr. Whitlow's lease for the South West quarter of Section 15, Township 36, Range 6, West of the 4th Meridian, and return all files to me with a copy of the cancellation notice, the Agent will be instructed to carry out the interchange.

S.E.¼ 15-36-6-W. 4th M.
Covered by Ranch No. 10024 leased for 10 years from the 15th May, 1921, to Sydney Whitlow.

Sydney Whitlow wants to abandon his homestead, the South West quarter of Section 2, Township 37, Range 7, West of the 4th Meridian, which he took up in 1911, and secure homestead entry for the South East quarter of Section 15, Township 36, Range 6, West of the 4th Meridian, which he holds under grazing lease. Up to the present time it has not been the practice to allow the holder of a grazing lease to abandon a quarter-section either in his own favour or in favour of a relative for the purpose of securing homestead entry.

The land is situated in Area "B", and in your memorandum of the 22nd May last to the Commissioner you stated that as it appeared to be the desire of the Department to assist in every way possible settlers who are making an effort to carry on farming operations you recommended that Mr. Whitlow be allowed to transfer his homestead entry to the quarter-section which he now holds under grazing lease, relinquishing the latter for that purpose.

to the requirements of the Department.

I submitted this case on the 1st instant, and recommended that the Agent be instructed to carry out the interchange, and notify the entrant accordingly, pointing out to him that it would be necessary for him to perform all duties in connection with his new entry. My suggestion was recommended by you.

The Assistant Commissioner ruled on my memorandum that the exchange may be allowed, but arrangements would be necessary with the Timber & Grazing Lands Branch. He should abandon and re-enter in the usual way.

On taking the matter up with the Timber & Grazing Lands Branch Mr. York requested to be advised whether or not it is the intention to grant Mr. Sydney Whitlow a homestead covering the South East quarter of Section 15, Township 36, Range 6, West of the 4th Meridian without posting the land as, otherwise, for the protection of his Branch it would be necessary that Mr. Whitlow, who holds the land in question at the present time under lease, furnish a letter relinquishing his lease unconditionally.

The regulations with respect to a transfer of entry where a soldier loan has been obtained as set forth on page 41 of the regulations state that after inspection by the Soldier Settlement Board if the location is satisfactory in so far as the loan is concerned, the transfer may be allowed, but in such cases the land must be vacant and available.

I would, therefore, suggest in view of the foregoing that this case be considered as a special one, and Mr. Whitlow not be called upon to abandon and re-enter, but the Agent be instructed to carry out the transfer as all documents relating thereto are on file.

Covered by Branch No. 10024 in favor of Sydney Whitlow.
Your reference - Loan 15730[illegible] - 94327.

I beg to acknowledge the receipt of your communication of the 13th ultimo, and in reply I am to state that although the South East quarter of Section 15, Township 36, Range 6, West of the 4th Meridian to which Mr. Whitlow desires to transfer his homestead entry is not clear in the records in that it is under lease, it has been decided as a special case to instruct you to transfer Mr. Whitlow's homestead, the South West quarter of Section 2, Township 37, Range 7, West of the 4th Meridian to the South East quarter of Section 15, Township 36, Range 6, West of the 4th Meridian.

Kindly take the necessary action and advise the Department in the ordinary way.

If you will now have a Homestead Inspector report as to the suitability or otherwise of the South West quarter of Section 2, Township 37, Range 7, West of the 4th Meridian for homesteading purposes the question of making this quarter-section available for sale thereafter will receive consideration.

Dear Sir:

Re: Mrs. Effie Sabotier
S.W.¼ 28-63-7-W 4th M.
Your file 53883.

In reply to your letter of August 31st, I may say that when Pierre Sabotier applied for patent for the S.E.¼ 1-63-8-W 4th Meridian, he forwarded a certificate of naturalization which was issued in 1913 but the month of issue is not distinct in our records as the notation has become blurred. It seems to be November 15th, 1913, but only the year is definitely distinct. Lee Sabotier, when he applied for patent for the S.W.¼ 3-63-6-W 4th Meridian on July 13th, 1929, claimed to be a British subject through the naturalization of his father, Pierre Sabotier.

If you desire the exact date of the father's naturalization I should be glad to get this information from the Under Secretary of State and forward it to ~~you~~.

Sir,

E.B.I of 6-26-4, W. 4th M.

I am in receipt of your application for patent for the above land wherein you state in answer to Question No. 14 that you held the North East ¼ of Section 22, Township 9, Range 29, West of the 2nd Meridian, filed in 1887.

Also in answer to Question 15 you state you obtained ~~patent~~ for the North East ¼ of Section 22, Township 9, Range 29, West of the 2nd Meridian.

On looking up the records of the Department it was ascertained that you never held the above land on a homestead entry or obtained patent for the same neither did you hold the North East ¼ of Section 22, Township 9, Range 29, West of the 3rd Meridian under entry but that you at one time held the South East ¼ of Section 22, Township 9, Range 27, West of the 1st Meridian and you abandoned the same and your entry was cancelled.

Kindly advise the Department if you have held any land under entry and obtained patent for the same and if so furnish a proper description.

Your obedient servant,

Assistant Secretary.

DOMINION LANDS.

INTERIM HOMESTEAD RECEIPT.

7457

Office of Dominion Lands,

Swift Current District.

24 July 1884

I Certify that I have received from

William Sellwood

the sum of Ten Dollars, being the Fee for the Homestead Entry

N.E. Quarter of Section 22.

Township 9 Range 29 West of 1st Meridian,

and that the said William Sellwood

is, in consequence of such payment, invested with the rights conferred in such cases by the provisions of the Dominion Lands Act, 1883, regarding Homestead rights.

(OVER.)

Local Agent.

This receipt, unless the entry to which it relates be rejected or cancelled, entitles the homesteader to take possession and occupy the land entered for, to hold possession of the same to the exclusion of any other person or persons whomsoever, and to bring and maintain actions at law or equity against any wrong doer or trespasser on the lands, as effectually as he could do under a patent for such land from the Crown.

Any person who has obtained homestead entry shall be allowed a period of six months from its date within which to perfect the entry by taking, in his own person, possession of the land and beginning continuous residence and cultivation thereof; and if the entry be not perfected within that period it shall be void.

Provided that any person who has obtained entry on or after the first of September in any year, and whose term for perfecting the same expires before the first day of June following, shall be allowed an extension of time to the latter date within which to perfect his entry.

The period of actual residence and cultivation required under the homestead law is three years from the date of perfecting the entry.

In case of the death of the homesteader before the completion of his homestead duties, his legal representatives succeed to the homestead right, but they, or some of them, must complete the necessary duties; and in no case will a patent issue for a homestead unless the person applying is a British subject by birth or naturalization.

A homestead is liable to be cancelled at any time that it is proved that the settler has not resided upon and cultivated his homestead at least six months in any one year after perfecting his entry.

Any special leave of absence granted by the Minister of the Interior does not count as residence.

After actual residence on the land by the homesteader for a period of twelve months from the date of his perfecting his entry therefor he may obtain patent by paying for the land at the Government price, but he must at that time have at least thirty acres of his homestead under cultivation.

Proof that a settler is entitled to a patent must be made before the Local Agent of Dominion Lands.

Any assignment or transfer, or any agreement to assign or transfer a homestead or pre-emption right, or any part thereof, before the issue of patent is approved, is forbidden, and operates not only to forfeit the entry, but disqualifies the person assigning or transferring from ever obtaining another homestead or pre-emption entry.

Persons making entries under the Homestead provisions of the Dominion Lands Act must remember that residence on a homestead cannot be done by proxy, and that entries are not allowed by law to be made for speculative purposes, and all homesteads must be entered in good faith, and the requirements of the Act must be honestly and faithfully fulfilled by the homesteader.

Dear Sir:-

Re N.E.-5-36-4W4th. Wm. Sellwood
Your file 242569
2438579.

Mr. Sellwood has handed me you letter of the 31st. ult. in connection with his application for patent for the above land, and has asked me to write you and explain the matters which are not quite clear to you.

In connection with his answer to Question 14 Mr Sellwood made a mistake when he said that he had filed on the N.E.22-9-29w2nd in 1887. The land which he filed on was the same quarter west of the first meridian and it was filed on in 1886 as you will see from the enclosed homestead receipt and notification that patent had been forwarded to him.

Question 15 applies to the same land and was given by mistake as west of the second meridian.

I would be pleased if you would return me papers after perusal, and also acknowleige receipt of this letter.

Yours truly,
